

SCISD and SCISD-R

The Structured Clinical Interview for DSM-5 Sleep Disorders (SCISD) and the revised version (SCISD-R) are semi-structured interviews for clinicians to assess the most common sleep disorders.

Before using the SCISD-R, please check back on the website listed in the citation for any updates to the manual or the instrument (denoted by date listed in the header of the manual and footer of the SCISD-R instrument).

The STRUCTURED CLINICAL INTERVIEW FOR SLEEP DISORDERS - REVISED© (SCISD-R) is protected worldwide by international copyright laws in all languages, with all rights reserved to University of North Texas, USA. Do not use without permission. For permission to use the SCISD-R in a study please contact the Mapi Research Trust at <https://eprovide.mapi-trust.org/instruments/structured-clinical-interview-for-dsm-5-sleep-disorders-revised>.

For more information about the SCISD and the SCISD-R please go to <https://insomnia.arizona.edu/SCISD>.
